MW-M-1277

Dear Joe:

SUBJECT: Contract No. PR-8200

REFERENCE: (1) your approval our P.O. 64150R, dated 14 June '60
(2) your approval Change Order No. 3, P.O. 64150R,
dated 30 August '61
(3) our letter dated 28 March '61, JF-M-229
(4) your letter dated 19 April '61, OXC 1566

The subject contract is now in final audit and close-out phase and examination of our records indicates the lack of final approval of our Purchase Order 64150R with the Sperry Gyroscope Company. Referenced letters (1) and (2) provided us with approval of this order through change number 3. Attached for your retroactive approval are change orders 4 and 5. The latter change covers the final redetermined price of [redacted] which was established subject to audit and acceptance by a representative of the United States Government. Also attached for your information and file are copies of Sperry's final submission and their letter of acceptance of final price subject to audit.

Reference letter (4) indicated agreement of our understanding that your office will perform the audits on Sperry Gyroscope orders related to subject contract. Our records do not reveal any correspondence related to an audit, so kindly review this matter so that we may be able to provide Auditor with an approval of final price of the above referenced order in the near future.

Regards,

Charlie
